Intro) F F

F

1<sup>st</sup> verse) By faith we understand the world was made

C F

By the word of God which never never fades

By faith Abraham obeyed God's command

C F

When the Lord sent him to a distant land

F

Chorus) By faith these men had obeyed the Lord

C F

And their testimonies speak to their great reward

Their faith stood strong but they didn't stay long

C F

And now they sing His praise on the other shore.

2<sup>nd</sup> verse) By faith old Noah started building a boat

When the world thought a flood was very remote

By faith old Moses refused the king's hand

Then he took his people to the promised land

Chorus)

key change to G

3<sup>rd</sup> verse) By faith many others have followed in His name

By faith and perspiration they took their aim.

And still many others were martyred and scorned

But now they live a life with God forevermore.

Chorus)

4<sup>th</sup> verse) By faith you can see the mountains move away

For those who will trust, He will prepare a way.

What else can I say about a faith of this kind

If I kept on going, I would run out of time.

Chorus)

Tag) And now they sing His praise on the other shore.

And now they sing His praise on the other shore.
