It's all praise to Him / For what the future will become
It's all praise to Him / For ev'ryone that knows His Son

1st verse) He is a mighty God among us
He laid His life aside for me
No one can ever overcome Him
He always has the victory

2nd verse) He is a loving God among us
He shows His care for you and me
He loves us ev'ry generation
He wants us all to believe

3rd verse) He is a worthy God of praises

After His death and resurrection
He lives and waits for you and me
